Dear Parents/Carers

Finally we have some lovely weather! Please make sure your child brings a water bottle, hat and sun-cream if required. Children will have to apply their own sunscreen and not share with others.

This week Year 4 have completed their multiplication check. They have worked incredibly hard to learn all of their times tables so well done Year 4—a great skill to have which will support your maths now and in the future.

Thank you for the kind donations for the bottle stall at the Summer Fayre. It always seems to be the favourite stall for some reason!

Year groups have been enjoying their educational visits. Year 3 visited Bagshaw Museum to find out more about Egyptians and Year 5 are visiting Barley Hall next week to learn more about the Tudors.

Fire service and parking

Today the fire service have hosted a water safety assembly for our year 6 children. It was lovely to hear from them how well the children sat and listened. They also noticed some cars parking on the yellow zig zag lines around school so they have sent some leaflets we can put on the windscreens of cars parking on the zigzags. We appreciate that there is limited parking near school but parking on these zigzags puts our children at risk as it reduces their view of the road and traffic.

Phones

Polite reminder that phones will not be kept in the office unless they are a non-smart phone.

E-safety

[Teens exposed to weapons, violence & suicide content on social media - BBC News](#) This is an interesting article which shows what happened to some fictional children's Instagram and TikTok accounts over the period of a week. Despite the innocent things the fictional children searched for, the content became more graphic and disturbing as the week went on. The companies are trying to make their teen accounts safer but some of our children tell us that they use fake dates of birth in order to get these accounts.

Wishing everyone a wonderful week.

Joanne Vickers
